

Swintec

The Swintec 8500 System.

The Swintec® 8500 System.

When you initially purchased your Swintec typewriter, basic typing capability was probably all you needed. But the world changes, and your business has undoubtedly changed with it. Today, your business needs have grown more demanding, and Swintec technology has reached out to meet these challenges with a product designed specifically for your most demanding tasks.

With the Swintec 8500 System, your Swintec typewriter will be transformed into a fully-featured, easy-to-use word processor that rivals any new system you could purchase . . . at a price that's hard to resist.

With the addition of the Swintec 8500 System, you gain sophisticated text-editing functions, forms fill-in, mail merge and a host of other advanced features. The 8500 even comes with a convenient help menu, so you can make the most of its features from the very beginning. It's all here, in the Swintec 8500 System.
